

# The Organic Goat Lady

Hello, I'm Meghan Nowlin! I'm a Certified Aromatherapist, Certified Health Coach, homesteader, and full time mother of four.

I strive to raise a healthy family through the use of essential oils and healthy organic goods. My goal is to also be as self-sufficient as possible. And yes, as the name of my blog implies, I also raise dairy goats as a part of my self-sufficient healthy lifestyle!

## About The Organic Goat Lady

The Organic Goat Lady allows me to combine my love for writing with my healthy living passions.

The Organic Goat Lady is a great resource for essential oil information, dairy goat care and tips, as well as every day health topics and recipes!
